

The Bottleneck Bob

Carolynn Judd @styled_by_carolynn

Carolynn Judd

	Back sections		Shear shatter texture
	Front sections		Point cut

Shear shattering like this

will create texture like this

— Back sections

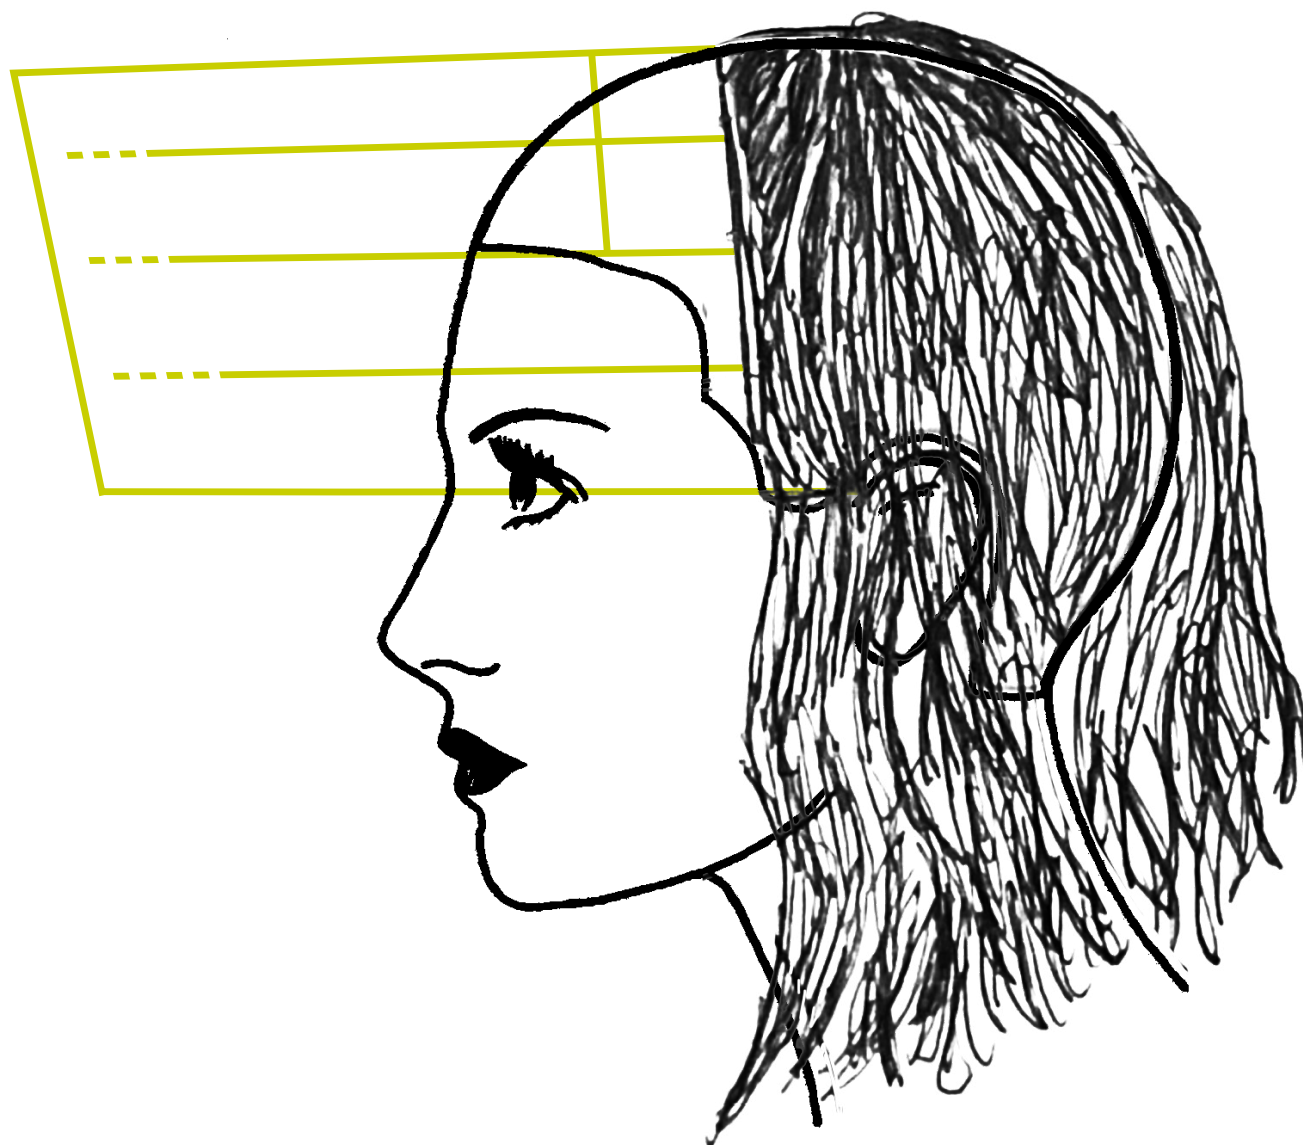

..... Shear shatter texture

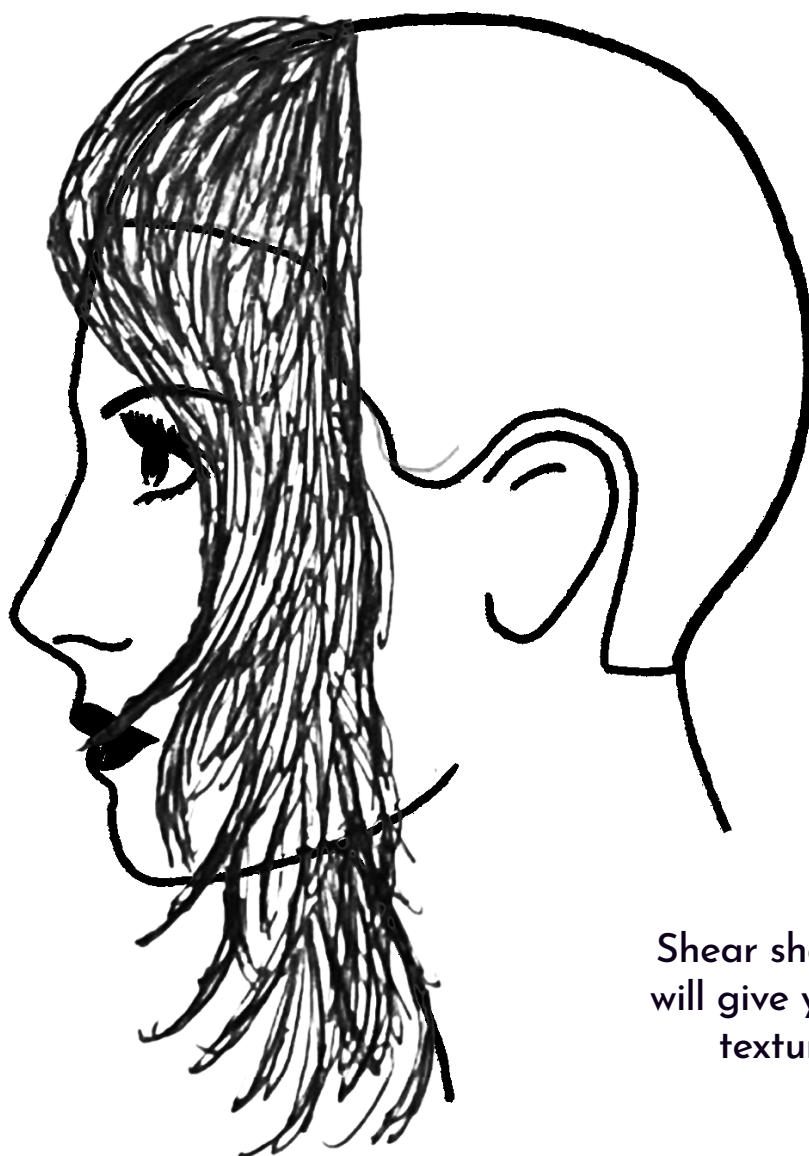

— Front sections

W W W Point cut

The Bottleneck Bob

FRINGE & FACE FRAME

Shear shattering fringe
will give you a soft, long
texturized front

 **Back sections**

 **Front sections**

 **Shear shatter texture**

 **Point cut**

The Bottleneck Bob

Carolynn Judd @styled_by_carolynn

WHAT IS SHEAR SHATTERING?

When you're shear shattering, you are texturizing the hair to give it movement.

REMEMBER: Don't texturize too much. The goal is to keep length and add internal movement and light layers.

CAROLYNN'S GO-TO SCISSORS TO CREATE
A BOTTLENECK BOB:

PHANTOM SWIVEL

Use for perimeter!

PHANTOM II

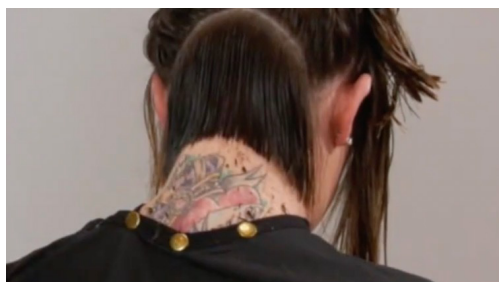

Use for shear shattering!

Texturize with shear shattering, a fundamental and versatile technique you will learn in this class!

BTC  UNIVERSITY

Textured A-Line Bob

ONLINE CLASS

@STYLED_BY_CAROLYNN TEACHES YOU:

- How to cut a textured, angled bob from start to finish.
- Tips on creating the perfect angle from front to back with ease.
- How to create interior structure that maximizes volume.
- Carolynn's signature 'shear shattering' technique for texture-cutting on both wet and dry hair.
- How to connect stacked layering from back to front.
- Styling tips to transition from sleek invisible layers to a tousled, textured finish.
